

RICCARDO DAL MASCHIO

riccardo.dalmaschio02@gmail.com

+39 3348095025

Padua, Italy

OBJECTIVES

In the short term I aim to advance my career through hands-on experience, continuous learning, and increasing responsibility, working toward managerial roles.

Looking further ahead, I am eager to use this experience to build and grow my own business.

INTERESTS

Generally, I'm curious and fascinated by deepening my knowledge of topics I know little or nothing about.

In particular, I'm interested in technology, engineering, finance, economics, philosophy and politics.

WORK EXPERIENCE

PROJECT MANAGER AND SENIOR DEVELOPER – CLICK AND FIND

SEPTEMBER 2026 - PRESENT

- Leading and developing of a forecasting system for petroleum product prices based on Platts and ICE benchmarks.
- Forecasts support speculation and hedging in logistics and procurement, via futures and swaps.
